

The Only Electronic Monocular Available Today!

Mojo is a battery-operated, full-color portable electronic monocular that gives you the ability to view and magnify objects in the near distance as well as close up. With its large field of view, use it for reading price tags, menus, mail, newspapers, street signs and viewing the beauty of nature. A 6 oz. lightweight high quality precision design makes it easy to carry in your pocket, purse or wear around your neck with a lanyard. Mojo also becomes a fully functioning HD desktop video magnifier when placed on its optional 24" CCTV docking stand.

Mojo Features:

- Lightweight 6 oz design with lanyard
- 13MP Sony® camera with auto focus, 4" close-up reading to infinity
- 1x-16x digital zoom capability
- Tethered 1.4x telephoto lens for extra 40% optical zoom power
- Color Select & Find modes
- 30 degree field of view
- 3-level brightness control
- Stand-alone base charging station
- Built-in rechargeable battery with 2.5 hours of continuous use
- Optional 24" CCTV docking stand with wide range of adjustable magnification
- 2 year warranty
- Designed and Assembled in the USA
