

**Resources for Teachers and Other Team Members Working with an Elementary Age Student
with a Visual Impairment**

Developed by: Dr. Tina Herzberg, University of South Carolina Upstate
Dr. L. Penny Rosenblum, University of Arizona

*****FREE ***SELF-PACED ***ONLINE ***AVAILABLE IN SUMMER**

The training is for those who will be working with a student with a visual impairment in 2019-2020. It will remain open until September 15, 2019.

Requirements:

- Complete a short demographic survey
- Take a pre-test
- Complete 11 units each 8-12 minutes on topics related to working with an elementary aged student with a visual impairment. Some of the topics include:
 - *How Do You Use Your Vision?*
 - *Understanding the Numbers Behind a Student's Visual Impairment and the Use of Functional Vision*
 - *What is Braille and How Do Students Read It?*
 - *Who's on My Student's Educational Team?*
 - *How Does the Student Use Technology in My Classroom?*
- Take a post-test
- Complete a follow-up survey

Those who complete the requirements will receive a certificate for 5 hours of continuing education credit.

OPTIONAL: Those who complete two assignments to demonstrate knowledge gained through the training will receive a certificate for 8 hours of continuing education credit instead of 5 hours.

How to Sign up or Get More Information:

- Go to https://uarizona.co1.qualtrics.com/jfe/form/SV_3RcXumCDTr0XcTX and complete the consent form and short demographic survey. Within 2 weeks, you will receive information on how to enter the Blackboard site.
