

Personnel Development to Improve Services and Results for Children with Disabilities

Preparation of Early Intervention and Special Education Personnel Serving Children with Disabilities who have High-Intensity Needs (84.325K)

FY23 Grant Program Applicant Resource

Personnel Development 325K Grant Program

This grant program provides grants to institutions of higher education (IHEs) and private nonprofit organizations to **prepare personnel** in early intervention, special education, and related services to work with children, including infants, toddlers, and youth, with disabilities and ensure that these personnel have the **necessary skills and knowledge to be successful in serving children with disabilities.**

Funding: The Department estimates making 27 awards in FY 2023. The maximum award is \$250,000 for each 12-month budget period for up to 5 years for a total of **\$1,250,000.**

Absolute Priority

Purpose

The purpose of this priority is to increase the number and improve the quality of personnel, **including multilingual personnel and personnel from racially and ethnically diverse backgrounds**, who are fully credentialed to serve children who have high-intensity needs in early intervention and special education.

The priority will fund high-quality projects that prepare scholars in early intervention and special education at the **bachelor's degree, certification, master's degree, or educational specialist degree levels** for professional practice in natural environments, early childhood programs, classrooms, school settings, and in distance learning environments serving children with disabilities who have high-intensity needs.

Absolute Priority: Preparation of Early Intervention and Special Education Personnel Serving Children with Disabilities who have High-Intensity Needs.

Focus Areas

Within this absolute priority, the Secretary intends to support projects under the following two focus areas. Applicants must identify the specific focus area (i.e., A or B) under which they are applying as part of the competition.

Preparing Personnel to Serve **Infants, Toddlers, and Preschool-Age Children** with Disabilities who have High-Intensity Needs

A

Preparing Personnel to Serve **School-Age Children** with Disabilities who have High-Intensity Needs

B

Scholar Recruitment & Support

The main purpose of the personnel development program is to prepare scholars in early intervention and special education. This includes recruiting and providing financial support for scholars.

Recruitment

01

Support

02

- Applicants must describe the recruitment strategies they will use to attract applicants, including the focused outreach and recruitment strategies to **increase the number of applicants from groups that are traditionally underrepresented** in the field, including applicants with disabilities, multilingual applicants, and applicants from racially and ethnically diverse backgrounds
- The selection criteria the applicant intends to use must ensure **equal access** and treatment of all applicants seeking admission to the program and must be consistent with applicable law, including Federal civil rights law.
- At least **65 percent** of the total award over the project period must be **used for scholar support**.
- Scholar support does not need to be uniform for all scholars and **should be customized** for individual scholars based on scholars' financial needs.
- Scholar support can include **support for cost of attendance** (i.e., tuition and fees; university student health insurance; an allowance for books, materials, and supplies; an allowance for miscellaneous personal expenses; an allowance for dependent care, such as child care; and/or an allowance for room and board), **travel in conjunction with training assignments** including conference registration, and **stipends to support scholars' completion** of the program.

Scholar Preparation

The preparation of scholars in this program includes: (optional) planning time, designing the program to serve children with high intensity needs, offering field or clinical experiences, and providing resources to complete degrees.

Planning Time

Applicants may, but are not required to, use up to 12 months of the first performance period and up to \$100,000 of funds awarded in the first budget period for program planning, including enhancing an existing degree program, without enrolling scholars.

Program Design

Applicants should ensure that the program is designed to prepare scholars to serve children with high intensity needs.

Offer Experiences

Applicants should also ensure the program offers field or clinical experiences aligned to course work in early intervention, early childhood, and school settings.

Provide Resources

Applicants should also ensure that scholars be provided the resources they need to complete their degree.

Competitive Priority & Selection Criteria

The application will be awarded based on applicants responding to the absolute priority requirements, one optional competitive preference priority, and five selection criteria, described below.

Competitive Preference Priority

Applications from New Potential Grantees

Under this priority, an applicant must demonstrate that the applicant (e.g., the IHE) has not had an active discretionary grant under the program from which it seeks funds, in the last five years.

(0 or 3 points)
